IMPORTANT DATES:

May:

May 1st – Dock & Seawall
Assessment Due

May 1st – Dock Poles are
to be in

May 31st - Winter Storage
ends

Hello Bay View,

May has arrived and the boating season has begun. Time for spending many "sick" days on the water, hopefully everyone saved their PTO hours up.

For the month of April, Lady Khristina and I had the honor of attending Toledo Yacht Club, Seaway Boat Club, and Monroe Boat Club's balls. We had so much fun at all three events.

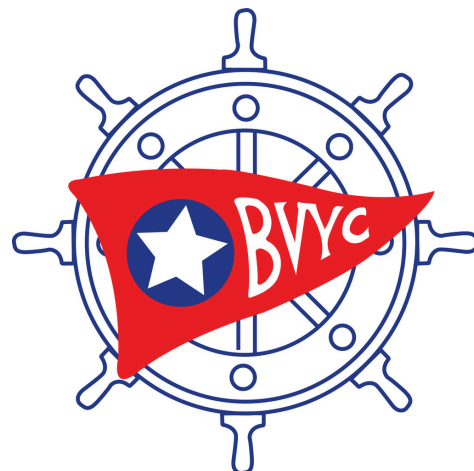

We also helped put on The South of the Border party at Bay View Yacht Club.

Friendly reminder to help out our dock committee, please make sure you have updated boat insurance on file and up to date registrations before attempting to launch or occupying your dock. You can add Bay View to your insurance as an additional rider at no cost to you and we automatically get a copy of your insurance.

Your Commodore Gary Ruffier

REPORT FROM THE VICE COMMODORE

As our lagoon begins to fill with boats, so too does the clubhouse. It is always wonderful to see everything springing to life in and around the club this time of year. Speaking of spring, we have returned to twice monthly general meetings. Please refer to our webpage at BVYC.org for the schedule of events that includes general meetings and all sorts of fun in the coming months. Please take note that we are holding our 3rd annual BVYC Dock Crawl on Saturday, JUNE 21st. This is a wonderful opportunity to enjoy each other's company and celebrate the official start of summer at Bay View. More info to come. All are welcome.
