Report from the Commodore

Hello BVYC

I am pleased to announce the use of the Commadore's parking spot for the month of September goes to outstanding member Robert (Rob) Dean and his wife Jackie. Rob and Jackie joined the BVYC family just one year ago and what a year it has been. They jumped in with both feet, helping were ever they can. They have worked in the galley, completed repairs to the club house, worked on the grounds and a whole lot more. Most recently they rebuilt the kid's playground! At this year's homecoming there were more children playing on the playground than I have ever seen. When they see something that needs attention, they attend to it. Thank You Rob and Jackie for all you do for BVYC!

The 2022 BVYC Homecoming was a success. Thanks to all who help get the club ready for this annual event. Thanks to all who help setup, run the event, cleanup, and tear down. It takes a tremendous amount of effort every year to pull this event off. I am very proud of our club and the members who worked so hard to make this year's homecoming fantastic.

I would like to thank all who helped make the Commadore's Reception an outstanding and special occasion. Everything about it from the decorations to the pictures to the food was top-notch. Bay View has a reputation for putting on great cocktail parties every year and this year's party certainly continued that tradition.

Our new floating docks are under construction and are scheduled to be delivered this fall! Very exciting! As soon as the boating season wraps-up and we can move the boats off the south and west shores we will start the demolition of the old infrastructure in preparation for the new. We have a lot of work to do. If you can, please help with this major project. Your help will be appreciated.

Let's Make 2022 Great!

Report from the Vice Commodore

**Vice Commodore
Thomas Berkebile**

Another Homecoming is in the books! I want to thank all those who came out to the club to get it ready for the weekend. By Thursday almost everything was up, installed and ready to go. You gotta love it when a plan comes together. Thanks to everyone who came out and helped make this event happen. Friday night, The Bradberries provided a lot of fun music to closing. Saturday was a mixed bag. It started out a nice day with a short rain interlude before String Theory took the stage on Saturday. We squeezed in a duck race right around the time the band started. Gary Ruffier, roofied the entire duck flock allowing his duck to win the race. Hopefully we can have the duck race become a common site at Bay View in the future. My third thank you goes to those who tore the whole thing down on Sunday, even in the rain! This event doesn't happen on

just Friday and Saturday! I don't have the final numbers tonight but it looked to be above average for this year. Thanks to all of you who joined me on my poker run trips this year. I had a lot of fun hosting you all on my boat and the trips we took up north this season. I found a low spot and scratched a prop but it's been an overall great adventure.

Speaking of adventure, what a great time and club showing we had at I-LYA. We brought back 1st place burgee for club participation and Volunteer. Great Job Bay View!

Coming September 30th we'll have an Oktoberfest dinner. German styled (Pork Roast, potato, green beans and chocolate cake) homemade bread and Lady Lisa's specialty - homemade Spaetzle. We'll have games of Stein holding and Hammerschlagen. Prizes for the top man and women of each game. Put this on your calendar for a lot of fun, good food and German beer! Dinner starts at 6. Tickets for the Reverse Raffle will start showing up in the next few weeks. The date for that is October 22nd. If you've never been to one, get a ticket and give it a try. There are a lot of things going on at the same time as the numbers come of the board.

Denny will host the Euchre games again soon. Please be on the lookout for the signup sheet on the bulletin board at the club. contact me or Denny to get entered in. Limited seats are available.

Good luck to those of you with the Pick 3 and Mich/OSU numbers.

Congratulations to Dave Patlin for winning the Yeti cooler on Sunday. I heard he did well on the golf course also on Homecoming weekend.

We are excited and looking forward to spending a weekend of fun at Maumee Bay State Park, our Fleet Captain has a great weekend planned.
