Report from the Commodore

I am pleased to announce the shared use of the Commodore's parking spot for the months of November and December goes to outstanding members P/C Greg Snyir and Mike DeAngelo. Together Mike and Greg serve as Co-Chairmen of the BVYC Boat Yard. A very demanding and important position. These two men and their helpers work tirelessly from spring through fall in the yard. The year starts early in the spring as they prepare to launch the Bay View fleet for another season of boating. Countless hours are spent launching vessels one after another until all who desire to go in the water are in. The work does not stop there. Mike and Greg continue with their crew to make our boat yard one of the cleanest and most organized yards anywhere. For various reasons boats come in and out of the yard all season long. Mike and Greg are there to make sure everything runs as smooth as possible. In the fall, everything that was done in the spring, gets repeated in reverse. The Bay View fleet is pulled from the water and shored-up in the year for winter storage. Running our boat yard is a tremendous amount of work and requires a great deal of coordination and planning. A special thanks to P/C Cashmen for all she does to support Mike and Greg including but not limited to scheduling, billing and coordinating. I am sure these guys will share the parking spot with you over the next 2 months. Thank You P/C and Yard Co-Chairmen Greg Snyir for all you do for BVYC! Thank You Yard Co-Chairmen Mike DeAngelo for all you do for BVYC!

I would like to congratulate everyone who was elected to serve on the Bay View Yacht club bridge and board of trustees and our returning trustees for 2023.

Report from the Vice Commodore

**Vice Commodore
Thomas Berkebile**

It seems October was a month of injury and physical impairment at Bay View. I'd like to wish a speedy recovery to John, Tom, Cori and Don. All of you have got to learn to be a bit more careful. For those who don't know, this is the "pot" calling the kettle black.

I'd like to thank Commodore Sackett for the use of the Commodore parking spot this month. It really came in handy starting Oct 12th (reference the "pot").

November 5th, the Aeration team can use your help to install the system down the main and north shores. Things usually start around 9am. Bear in mind, the installation date needs to be flexible depending on the weather. If things don't look good at Bay View (real cold or heavy rain) the date or time will likely be moved. Call Dave Spalding 419-699-5381 before you make a long drive if it looks questionable.

The South shore will be under construction starting November. Please be sure to get anything you may have on the South and West shore, secured and removed from your docks or dock area. I would think that includes along the fence line. A lot of activity will be going on while the old docks are removed and the new floating system is installed.

The Sackett's have offered to help me with making "their" Chicken Marsala dinner the night of Friday, November the 4th. Dinner starts at 6pm.

Denny will host at least 2 more Euchre games this year. The first game will be November 4th and a second sometime in December. The game Friday the 4th will start at 7:30pm and go until 10:30. Please be on the lookout for the signup sheet on the bulletin board at the club. Contact myself or Denny for more information. Limited seats remain available.

Good luck to those of you with the Mich/OSU numbers.

My thank you goes out to the club, for allowing me to become your 2023 Commodore. I will do my very best to continue supporting this club with my time and effort, both at and away from 3902 Summit Street.

"Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well." Voltaire

Happy November!

Another month has come and gone. We are getting closer and closer to the end of the year. As I think back to all the fun we have had, it excites me to think of all that the coming years have in store for us. October has been an action-packed month both inside and outside of the club. Special thanks to Mike and Greg for all their hard work ensuring that our boats are pulled and safely stored for the winter. It is not an easy task. Congratulations to the newly elected board and bridge for their 2023 appointments. We have had quite a few fun events in October, we started the month out with our Chili Cook-Off on October 8th, 17 amazing and unique recipes were entered into the competition, while we had Temperance Tonic as live music entertainment. On, October 14th we had an amazing turnout for the October Birthday Celebration with our Taco and Nacho bar. Yum! At the time of me writing this newsletter, we have not had our Adult or Kid

Halloween party, but I am sure it will be a success.

Chili Cook-Off Winners:

- 1st Place winner: Rick Wagner
- 2nd Place Winner: Liz Avery
- 3rd Place Winner: Sarah Ross

I will be putting on a **Kids Halloween Party** on October 30th from 10a-12p, if anyone would like to donate candy for the kid's party, please leave it behind the bar. Donations are much appreciated. We had so much fun at our Kids Easter Party, I would LOVE to see even more kids at the Halloween party. If your friends have kids, we would love to have them come as well. There is a sign-up behind the bar, price is \$8/kid.

Please Note: When booking, planning and reserving the club for your parties, the only calendar you should go by is the one on our website: <https://www.bvyc.org>. If you have submitted a room rental agreement to the binder and don't see it on the online calendar, please reach out to me directly to confirm its booking.

The background of the poster features a blurred image of a person's face, likely a woman, with blonde hair. Overlaid on this are several playing cards. In the top left, there are three cards: the King of Hearts, the Queen of Hearts, and the Ace of Hearts. In the top right, there are two hands holding cards; one hand holds the Ace of Spades, and the other holds a fan of cards including the King of Spades, Queen of Spades, Jack of Spades, and 10 of Spades. The overall theme is a card game tournament.
