May Report from the '23 Commodore

The floaters are in now; up and running. Thanks to all our club members who have been out there giving of their time during boat prep season. Without you these docks would not have been ready for use this month. As you all know, this has been no small undertaking. Once again, we have a diverse membership. The skills of our various members helped this project remain within budget. This club is very blessed by this talent pool.

Speaking of talent pool...I need to make a call for more assistance this summer. It is mowing season again. Especially during these first few months, the lawn will require mowing twice a week to keep the grass under control. We need 10 consistent volunteers or more to rotate around through April to October to help keep our club looking good. At a minimum we need the lawn to be mowed. That takes roughly 3 hours. I spent last Sunday timing how long it took me to mow. Add the use of a blower and line trimmer, means an additional 3 hours or a second person to spend the same time. Please let me know if I can add you to the lawn care list this year or contact Brian Orth directly.

Our club has been asked to support making and serving the Tuesday July 25th dinner for I-LYA regatta at PIBYC. If you're going to the Power Regatta this year, please let the bridge know if you're able to help us.

The Opening of the Port will be May 27th this year at the Maumee River Yacht Club. Activities will be going on all day at that end of the river. If you'd like to offer your boat for the Commodores to ride on, let someone on the bridge know and we'll get you signed up. The parade goes between the I-75 and I-80 bridges. You also get a little and then some of free "spirits" to provide to your guests and to help you entertain for the remainder of the season. Also two complimentary tickets to the Steak Roast that evening at Toledo Sail Club.

Please note that the date for this year's Commodore Ball has been changed to a Friday night at Maumee Bay State Park. Mark your calendars for September 29th. Things officially start at 6:30 and we'll have an after-glow. The weather will dictate exactly where we'll extend the evening.

Report from the Vice Commodore

Vice Commodore
Nathan Edmunds

It's my favorite time of year, the lagoon has boats in it and friends are planning their summer water trips. April was another fantastic month with great dinners and many visits to other clubs.

On April 14th, PC Tony and I supported I-LYA Vice Commodore Dale Vanderford at his fundraiser at Detroit Beach Boat Club along with other members of Bay View.

On April 15th, we hosted the AMAZING PC Sackett Chicken Marsala dinner and had a great time jamming with Tobi Lee. P/C Sackett always says, "People are tired of eating my Chicken Marsala..." I had to remind him that we don't get tired of eating it, he may just get tired of making it. LOL. Many thanks to my ball committee and Chris and Lady Diane for an amazing night

of fun and great food.

May Events:

May 6th at 4pm: Kentucky Derby Party! Horse races, raffles, hat contest & more

May 14th at 11am: Mother's Day Brunch! \$15/person and \$10/kids 12 and under

May 26th at 6pm: Spring Picnic \$10/person

Other May Events at Bay View:

May 19th at 6pm: R/C May Birthday Bash

New Members:

Darren Calhoun

Jeff Sitffler

As a reminder, all guests (non-AYC/ILYA) MUST have a sponsor. Children of members who are of age must have a sponsor while at the bar. Please reach out to me if you have any questions.

The goal of the membership committee is to make sure each and every new member feels welcome at Bay View Yacht Club. We will do our best to introduce them to a number of committees in hopes they will find a way to contribute that works for them and the club. If you have any new potential members, please have them fill out an application.

Let me or the membership committee know if you have any questions.

Your Vice Commodore,

Nate Edmunds

Advertising in the Newsletter is \$5 per month or \$50 per year for a business card sized ad. 1/4 page ad is \$10 per month, \$100/year and 1/2 page ad is \$15 per month, \$150/year.

Report from the Rear Commodore

Rear Commodore
Gary Ruffier

Hello Everyone,
Spring is in full swing, boats are in, docks and grills are hot. It was great seeing everyone working hard to get their boats ready in the yard.

I would like to thank Doug and Liz Avery, Greg and Shannon Smith, Lady Diane, and Rob and Jackie Dean for all the help to make our Kids Easter party run smoothly. It was a great turnout and thanks to all the parents and grandparents for signing up the kids. We had 25 kids signed up.

We also had another great birthday bash with lots of great food. Thank you to everyone who brought a dish to pass, it truly makes these events special.

Mark your calendar for these upcoming events.

May 19th Birthday bash (see up coming flyer for details)

I will oversee reservations and booking parties at the club. If you have any questions, please contact me or Lady Khristina.

Your Rear Commodore,
R/C Gary Ruffier

Boat Shrink Wrap Recycling

After you are done protecting your Boat,
Help us protect the environment!

Nylon straps and any other non-shrink wrap material
must be removed. Wrap must be properly bundled.

Visit www.ktlcb.org for more information and a how to video
on properly preparing Boat Wrap for Recycling.

March 2022

LUCAS COUNTY

PLEASE CALL:
BUD ROWE
419-466-3562

I WILL SHOW YOU THE CORRECT WAY TO
FOLD & BUNDLE YOUR SHRINK WRAP.

TREY CZERNIEJEWSKI
419-215-6453

INSTRUCTIONS FOR BUNDLING SHRINK WRAP

PLEASE HELP KEEP THIS MATERIAL OUT OF THE LANDFILL!

Both white and blue Shrink wrap will be accepted this year but they must be kept separate. White is for recycling; Blue is for disposal. A flatbed trailer will be located in the boatyard by the equipment building for your convenience.

1. Leave the wrap on the boat for beginning the easiest preparation for removal.
2. Using a box cutter, cut the nylon straps on the nylon cord that circles the belly of the boat. Next, pull the nylon cord out of the shrink wrap. (This may require cutting the cord in several places if the cord has melted into the wrap).
3. When all nylon strapping, tape, plastic vents and all foreign material is removed, cut the shrink wrap at both sides of the transit so the wrap can be lifted up over it.
4. Two people should be on top of the boat to help the wrap along, taking care not to catch it on the radar or any other equipment.
5. At the same time the wrap is being eased across the top a third person should pull from the bow of the boat (the wrap should come off in one piece).
6. Keep the wrap clean and dry. Spread it flat on the ground, fold it lengthwise in half and then fold again until you have a 4'- 5' width the entire length of the wrap. Take the air out of the wrap (walking on it or puncturing it should get the air out).

(continued on the other side)

7. Starting at one end of the 4'- 5' wide roll, roll it as tight as possible compressing it as much as possible until it is completely rolled. (Like you would roll a sleeping bag – see diagram below).

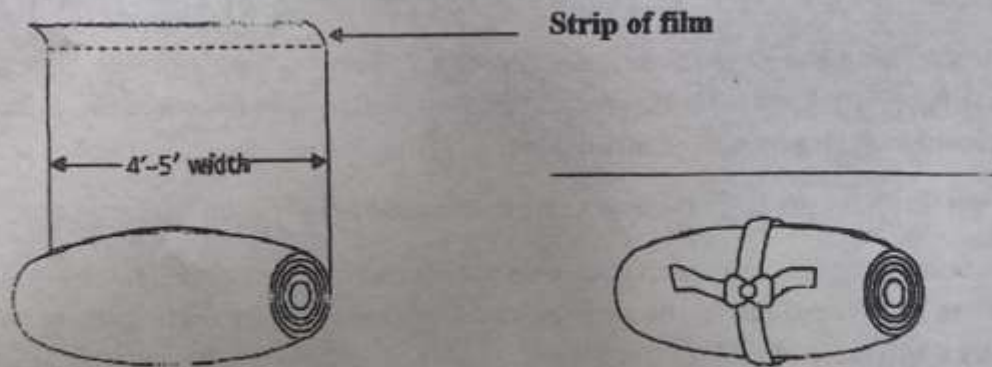

8. Cut two six foot long material straps from the bundle to tie it up then set the bundle on the trailer provided for both the white and the blue wrap.

Pick up any nylon cord or material not included in the roll and place it in the dumpster.

THANK YOU for helping Bay View Yacht Club work with Lucas County in keeping our environment clean. Any questions please call P.C. Bud Rowe 419-466-3562

How to recycle shrink wrap:

- 1. Remove non shrink wrap material.***
- 2. Keep shrink wrap as clean as possible and free of debris.***
- 3. Bundle shrink wrap and tie for convenient storage.***
- 4. Deliver bundle to designated marina and container.***

(1) Fold the film into a width of 4-5 feet, roll the film up and then cut off a strip of film from the end of the roll.

(2) Use the strip of film to tie the bundle.
