## Report from the Commodore

As I sit and write this article and I reflect on all the events that Mike and I have attended, I wonder where the time has gone. It is hard to believe it is July already. My mom and dad use to tell me don't wish your life away as you grow older the time will fly by and you will wonder where it went, and guess what I am wondering where did that time go.

Five club poker run was a little low on the attendance but still a lot of fun. Thank you for all that attended and donated food. Congrats to the winners at the opening of the cards.

Opening of the Isle was that weekend and the vice and rear commodore' went and they reported they had a very nice time.

Regatta's have started and the first two PPBC and CCYC were very nice and a lot of fun. The "Tooth Pick parties" were wonderful and congrats to Commodore Jim and Lady Sharon from PPBC and to Commodore Gary and Lady Hussey from CCYC.

On to the TSC regatta and the 1.98 contest—all I can say if you were not there you missed a lot of interesting outfits. Fun was had by all. Congrats to Commodore Paul and Lady Christy.

Please make sure you check the web site, newsletter and around the club for upcoming events. Make sure we have your e-mail so when the e-blast goes out you receive them.

Homecoming will be here before we know and we are a Poker run so I am asking that every BVYC member come out and support your club by working for a few hours and also to have fun.

My last thought for the day is to thank the Board of Trustees of BVYC for all the hard work and decisions that they make and sometimes their job is not as easy as you think and then on top of it they have me to contend with. Honestly members if you ever have a problem or concern come down and talk to them they are more than willing to work with you.

Have a great 4<sup>th</sup> of July BE HAPPY, BE SAFE AND ENJOY

## Mills Race Rescue

The rough weather and loss of one of the crew of the sailboat **Horse** during the recent Mills Race brought to mind when a Bay View boat participated in a rescue during the Mills. Past Commodore Bill Glass (1943, '44, & '62) and his crew were participating in the 1941 Mills on board the sloop **Mariann** when a sudden 40 knot squall caught the fleet during the first leg of the race, about 6 miles south of Detroit River Light. The **Mariann** was following the 41 foot schooner **Porpoise** (pictured below) when the squall rolled her on her beam ends. She soon filled with water, and sank with only the mast showing above water. The seven man crew clung to the masts in the dark and shouted for help. Bill and his crew heard their cries and shot off flares to attract the Coast Guard. They abandoned the race and stood by till the **USCG Cutter 219** arrived. Working with the Coast Guard, the **Mariann** used lines and life rings tossed to the shipwrecked sailors to pull them to safety, since the Cutter could not safely launch a boat in the 6 foot seas. All of the **Porpoise** crew were saved and returned to shore the next morning. The **Mariann** still sails today as the **Meridian Leeward**; she is currently docked at BVYC dock 161.

A historical moment from Jim Byrne, BVYC Historian.

## **Bay View Yacht Club's 2015 Cruise schedule.**

The sign up sheet for the Maumee Bay State Park is on the Fleet Captains Board. We have the date for Middle Bass Island, waiting on dock Deposit details. I have been in contact with Fremont Yacht Club, they are looking forward for us to come visit them, this is a good opportunity for smaller Trailer boats and jet skis. They have a very nice club house with bar, swimming pool, boat ramp and some docks, there are many hotels close by. If interested please contact me.
