Report from the Commodore

Hello members, Fall is finally here and we made it through another boating season. Lady Erin and I have been very busy this past month. We attended 2 commodores balls this month: River View and West River. Erin's Baby Shower was Sunday, October 23, we want to thank everyone who attended. It means a lot to Erin and I, and Baby Dylan; we cannot thank you enough. I will be hosting a Diaper Party on Sunday, November 13th on the main deck of the Club. Wings, subs and beer will be provided with a donation of a pack of diapers.

Moving on, I'm glad to announce we have successfully made it through another election of new bridge and board officers. David Krell is our new Rear Commodore. Deb Trimmer is our new Financial Secretary and Gary Eiff is our newest Board Member. I would like to thank the election committee for all their hard work and effort. Please keep in mind the rules for dock poles have been modified for dock holders on the North Shore between the club house and the lift well. All dock holders in this stated section have been asked to place their poles under their boats for THIS WINTER SEASON ONLY 2016/2017. This above modification is to clear the docks and seawall for repair. We will be starting our winter meeting schedule to every 2nd Wednesday starting in November.

Lastly, I have been asked a lot of questions about what is going on with the seawall, and if it is going to affect our dues. I would highly suggest that all members try to attend a few meetings so you may have a say in the process and can ask questions. This is the clubs format for discussing issues between members. There is a major discussion coming up regarding funding for the seawall; if you have questions, please come out this month (November)

The yard is starting to fill up, and the lagoon is looking empty. Where did summer go??!! Over the past month we had 2 2017 ball fundraisers. One was Octoberfest, huge thanks to Ruthann Murphy and her team for an amazing dinner. Following that was the Reverse Raffle.... Huge turn out and a great time had by all. I was truly humbled by all of the members and guest that came out to support the 2017 ball fund.

Upcoming event is the feather party November 19th.

Until next time,
Your Vice Commodore

Report from the Rear Commodore

Rear Commodore Steve Suffety

Hello, Everyone! I am writing this on October 19th, 2016, and we are having an amazing fall so far! Except for it being a bit breezy on some days, the weather has been warm and sunny! Perfect weather to be tacking boats out and getting them winterized, one might say… with tears in their eyes. The Mike DeAngelo Team has been very busy, day in and day out, as the amount of vessels on the shore increases with each and every day. Hats off to you, Mike and your team! Thanks for all that you do! The Toledo Sailing Club paid us a visit on their Color Cruise last month. Thanks to everyone that brought a dish and helped out. It was a fun day. The following weekend Lori and I attended our Color Cruise. The weather forecast didn't look good all week but somehow gave us a nice window for the festivities. BVYC was stop number 1. Thanks again to all that brought a dish to pass. It was well attended and a great way to kick off the day! Now if you've never been a part of this event, there's something that takes place when departing from BVYC, especially when the weather is suspect. Not everyone shows, so there's a lot of boat jumping that goes on. Think of musical chairs, only with boats. And you all know what happens to those that dillydally… They are left without a chair, or in this case a boat, or to be more specific, our assigned boat… which was set up weeks in advance (some might say we were the first invites… But that's neither here nor there). Now I've been left behind before (some might even say ditched), but it was the first time for Lori. No worries though, she's quite lovable and had another vessel lined up within seconds. They even waited for me, who was still dillydallying at the club. Thank you, Rory, Cheri, Brian and Lisa. We had a great day hitting all the stops! And yes, they did have to hunt me down once or twice… okay, every time. I can get a little distracted at these events, I can be a handful, but I still can't believe Alan forgot Lori. J

We are currently preparing for the Reverse Raffle and the Halloween Party, which will both be amazing memories by the time you are reading this. On November 4th we have a V/C fundraising dinner scheduled. On the 19th is The Fall Festival of Meats, and on the 26th, it's the OSU vs. Michigan Chili Cook-off Game, so put on your team colors and bring your appetite. Oh, and if you think you make the best chili, bring it on!!! I'll be the judge of that (well, one of many). Now if you'll excuse me, it's time to hit the golf course before the beautiful fall weather becomes a memory. See you at the club, my friends!

From the Yard and Membership Meeting

For docks 106 – 132 and who store their boats off-site to place their dock poles under their boats, against the fence, or under another member's boat with the boat owner's permission for the 2016 – 2017 storage season. This is to clear the way for new seawall work.

From the Water Committee

Please do not turn off the water valves any where on the docks.
Water is shut off to the docks, but if a valve is closed we could split a pipe when it freezes.
Also, if you need the pump out station, run a hose from the club house to the pump out station
Thanks Russ

Reminder:

Membership (Regular) Meetings will be held once per month during the winter season.

Nascar Awards and Potluck

Will be held December 4th from 1-4pm. Please bring a dish to pass.
