Report from the Commodore

Thank you to everyone that came out to the color cruise on October 12th, we were all treated to a true fall day. When I woke up it was jeans and sweatshirt weather, but by departure it became shorts and sweatshirt weather. Okay, maybe that was not true for all but I know I wore shorts because I was NOT ready to give up on summer.

As the colder weather is here and our boats are all put away for the winter, we all search for our next hobby during the winter months. For some it might be catching up on reading, house work that has been put off for long enough, or maybe you are the type of person that spends their time on YouTube or Facebook for winter. For those members who use or read social media here is something to keep in mind when posting matters regarding Bay View Yacht Club. We need to post positive things about the club. Social media is a wonderful place to show other clubs and people all the great things that go on at Bay View. But it is also very easy to read between the lines if your post is negative. Every organization has it's issues and every decision has an effect. Throughout this year it has been reaffirmed to me that you will never be able to make everyone happy, try as you may, but someone is always left unhappy. If you are ever one of those people who are unhappy with the club, there is a time and place to address it and that is at a club meeting and NOT on Facebook. Please continue to post positive things about Bay View Yacht Club as we continue in a joint effort to bring in new members, new ideas, and new traditions.

David Krell

Report from the Vice Commodore

**Vice Commodore
Charles Martin**

Well November is here and the boating season has officially ended. I was fortunate enough to get our boat in the water for the Color Cruise, and everyone we were with that day had a great time despite the colder weather, we also had great attendance.

I would like to thank everyone that helped for the Reverse Raffle. It takes a lot of people to make events like this successful and it is greatly appreciated.

Here are a couple of events planned.

November 15	Festival of Meats
January 18	Casino Bus Trip
February 8	Basket Raffle

We will also be having some dinners coming up and the details of those will be posted soon.

Just a reminder

Each year our amazing BVYC members participate in the Toledo Holiday Parade in November. Our floats theme is Dr. Seuss and we LOVE handing out books to children along the parade route.

Now is the perfect time to pick up Dr. Seuss books or other wintery tales at garage sales, yard sales, church bazaars, library sales, etc.

We would love our membership to help us reach our goal of collecting 1,000 books to hand out!!!

If you would like to drop your books off at BVYC we will have a box under the shuffle board table for donations. We appreciate your donations and help in meeting our goal!!

Special Announcements

From the Board of Trustees

The Board approved to hold its meetings on the first Wednesday of the month from November through March, with the exception of January. The January meeting date is TBD. The reason for this change is so that the Regular meeting will follow the Board meeting by only one week instead of 3 – 4 weeks.

Future Board meeting dates are as follows:

11/06/2019 12/04/2019 02/05/2020 03/04/2020

A reminder: when a member has business with the Board, please notify a Board member no later than the Sunday evening immediately preceding the Board meeting.

Office Hours: I am available by phone most weekday mornings from 8:00 – 10:00 AM.

Thank you, Thank you, Thank you!!!

A year has flown by since I went in the women's restroom and thought it was in need of a serious uplift. I started with re-upholstering the chair and bench. As women came in they all had the same comment; "What Can I do to help?" Well, the bathroom was cleaned, painted, and a new baby changing station added. From there our beloved Bay View has put on a new face and we are still going strong! The areas uplifted so far are: Entrance foyer, now beautiful and welcoming, downstairs entrance, downstairs bathrooms, now clean and bright, the Anchor Room (still under beautification!)

Again, my thanks to every single person who asked, "What can I do to help?"
