Report from the Commodore

Hope all of our members are staying safe and healthy. As all of you know this is a time that no one thought would happen.

The club/bar still remains closed. The yard is open so those who wish to work on their boats may. There are signs posted at the entrance to the yard that are to be abide by. Hopefully this will get lifted soon but in the meantime we are following the governor's orders. We want to do our part in not contributing with the potential spread of this virus.

For those who need work hours, the first half has been extended until Aug. 31. There are things that can be done at the club for your hours during this time. Just contact the Committee Chairman, House, yard, etc. and they should be able to help you out.

I am also in need of a Landscape Chairman. I was just told this past week that the current one is unable to do it this year. If you are interested please contact me.

As for the upcoming events planned, all of them are currently on hold. As soon as I get the word that we can have larger gatherings and we open up, I will be sure to inform all the members.

We had our first virtual General Meeting. It went fairly well with a few glitches. We are working them out should we need to continue this way for the next one or two. Thank you to Tony Blank on all the assistance on this.

As for the 2020 Commodores Ball, It has been rescheduled for Oct. 10, 2020. I will be getting out information on this as soon as we get everything finalized.

The planned club cruises this year are also on hold. As soon as the restrictions are lifted I will let everyone know, along with dates and times.

Please let me know of any concerns or questions you may have.

Thank you for the support

Commodore,

Chuck Martin

Report from the Vice Commodore

**Vice Commodore
David Patlin**

I would like to thank everyone at Bay View for all of the actions that have needed to be implemented during this unprecedented event that we are all dealing with right now. Swift action had to be taken to be in compliance with the Governor's mandate to protect our club.

Thank you to the Board of Trustees, the bridge and, all committees who are volunteering their time and effort for our club. Everyone is trying to do the best job possible.

I have tried to come up with creative ways to market to potential members by providing the new member information and application on the gate and finding ways to interview potential members while maintaining safety and compliance.

Hello BVYC...

Needless to say there is not much to report on the entertainment front. All planned April events were of course cancelled and all May events are on-hold awaiting guidance from the Governor and the BVYC Board. We will resume entertainment as soon as possible.

A special thanks to Team Kneisel (Sharon & Erin), Lady Laurie Patlin and Lady Diane Sackett for pulling weeds and laying mulch around the club this past weekend. It looks great!

Just a reminder: To ensure everything runs as smooth as possible, all club private party reservations will be scheduled via the bar. If you would like to make a reservation, please see Bar Manager Tony Blank or myself and we will get you on the calendar. Please see me for a refund in

the case of a cancelled private party reservation.

See you at the Club!

Board of Trustees

Our bar and galley remain closed due to the COVID-19 pandemic, as directed by Ohio Governor Mike DeWine. At the approval of the Board, security cameras have been installed in the club to monitor exterior doors, the main gate, the basement sump pump, and the bar area. The daily cleaning service and regular trash pick-up have been suspended. Coolers, refrigerators, and ice makers have been emptied, cleaned, and turned off to reduce electricity cost.

The Boat Yard will be launching boats, operating within the provision of the Stay at Home Order that designates a marina as an essential business. Additional, temporary Yard rules have been approved by the Board and posted at the Yard entry gate. These rules are solely for the protection of our members. The rules are available on bvyc.org, Members Only page and in the Haul-Out Shed

On a positive note, the Gas Dock upgrades have been completed, which include new piping, risers, valves, break-away connectors, hoses, and nozzles; an Emergency Stop switch near the door to the Gas Dock House and a new tank measuring probe in Tank #1.

As we look forward to the coming boating season it is imperative that we continue to follow the COVID-19 guidelines provided by our elected officials to help keep each other safe.

P/C Scott Kneisel,
Chairman, Board of Trustees

Gas Dock Hours

The Gas Dock will Open Soon!!

We are looking for summer help working the gas dock. Please contact Woody at 419-290-5362.

The Deadline for the Bay Views

Is the 20th of each month. Articles submitted after the 20th may be omitted from that months issue. If possible send all reports, notices, flyers, etc. to: nemo@bex.net and/or rogerjhoffman@outlook.com

Special Announcements

From the Dock Committee:

Soon we will be launching boats. Please bring proof of insurance so that the yard can confidently move and launch you. There is a list on the dock committee bulletin board with our records. Please check the list. If the date next to your name is expired, please update our records by dropping off a copy in the dock committee mailbox or by emailing us at bvycdocks@gmail.com. If you don't have time to check the list you may want to have your documents handy to avoid any issues.

Due to Covid 19 the board and dock committee have decided to extend the deadline for putting in your dock posts. If you need the extra time, you now have through May 15th to get them in. We hope everyone is staying safe. See you soon!

From the Gas Dock:

We are looking for a few good men and/or women to work the gas dock this summer. Please contact Woody at 419-290-5362. Training will begin promptly.

BVYC History Moment

Recently the Club has refurbished and reframed the Past Commodores pictures that adorn the wall coming in from the main entrance. I found the beginnings of this tradition in some old club meeting records. The following is copied from the minutes of the August 8, 1912 weekly meeting of the Toledo Power Boat Club:

The following resolution was offered and ordered spread upon the minutes:

resolved: that it is with sincere regret that we learn of the decease of Commodore Frank M. Underwood. Commodore Underwood was the leading spirit in the organization of The Toledo Power Boat Club, and was one of the incorporators and charter members of the club. He was also our first Commodore; being elected June 15, 1905; he was again elected March 7, 1906; and again Nov. 4, 1910. He was always loyal to The Toledo Power Boat Club, procuring more new members than any other three members combined. He was kind hearted, always willing to help a brother boatman, who was in need of assistance, and worked hard to enable his friend to enjoy the pleasure of his boat. *He died Tuesday, Aug. 6th, 1912, aged 58 years.*

It is recommended that the above resolution be spread upon the records of the club, and that the club procure a suitable picture of the late Commodore and have it framed and placed in the club rooms.

This meeting occurred three months after the new club house was officially opened on May 10, 1912.

THE HISTORY OF

May 16, 2012

BAY VIEW YACHT CLUB LANDSCAPE MEMORIAL FUND

Greetings Bay View Members, Family, and Friends,

We are very excited about moving forward with a landscape program for Bay View Yacht Club. Thank you Board and Membership for your vote of confidence and support. It was stated at the April 25, 2012 Membership Meeting that this program will be funded solely by contributions and there will be no assessment to the members. Treasurer, P/C Bill Lenze stated that the best way to manage this program is to assign it an account number.

Judi & I have talked to many members over the years about the loss of trees and the changing landscape. Now we the members are owners and something positive can be done to address this problem. The program will also work hand in hand with The State of Ohio Clean Marina Program.

I invited Tom Kistner, Manager of Neville Landscape & Tree Service, Inc. to take a look at our property. Tom has been in this business for 30 years. There will be a report with recommendations posted at the club.

I am assigning member, Patty Slupecki to be the Committee Chairperson to communicate with the Treasurer and to keep accurate records of all memorial contributions and/or donations.

To all who are inclined to join us in this endeavor to improve Bay View's Landscape please make checks payable to: "B.V.Y.C. Landscape Memorial Fund". We are looking into the "Tree Hugger" system used at Ground Zero in NYC to commemorate trees given in honor or memory of individuals.

We consider it a great honor to make the first contribution in memory of Judi's Grandparents, deceased Bay View members Roma & Leota Paule and her Uncle Donald Paule.

Sincerely,

Don Rogers
