Report from the Commodore

Summer is winding down to an end and boats are coming out to get their winter coats on. I would like to thank everyone that participated in the Color Cruise this year. We had a great turnout and AMAZING weather! Thanks to F/C Tom for his hard work getting all the food and snacks arranged and to Heather for manning the bar.

Just a reminder that the club will be closed Monday November 27th at 5pm for the AYC Meeting. If you are looking for work hours and want to help serve please contact me.

Also starting in November we will be going to 1 meeting a month. It will be the 2nd Wednesday of the month at 7:30 as usual.

Your Commodore,
Tony Blank

Report from the Rear Commodore

This is the day after the Reverse Raffle, it's recovery day. Lori and I are using today to recharge our batteries and plan for BVYC's Halloween Party. It will be a memory by the time you see this article and I am hoping that you are in it. Speaking of the Reverse Raffle, it was a smashing success! I want to thank everyone that came out. I want to thank my Ball Committee who worked their tails off and I want to thank Stacy who entertained us as well as Joan, the brains behind this event, who took care of the details to enable it to be a success! Lori and I are very grateful to all of you!

Vice Commodore Steve Suffety

As I sit here preparing my article on this late October evening, I marvel at the beautiful weather we have been blessed with this fall. It has been sunny and mid seventies for most of October and we have been taking full advantage of that. The lake has been calm and the fish have been biting. We had a beautiful day for our Color Cruise and showed up in numbers. Our sister clubs took excellent care of us and the day was enjoyed by all. It's a shame that our boating season is coming to an end. Mike DeAngelo and his team have been pulling boats out and placing them into their winter spaces. Terry Trimmer and David and Timothy Krell have all been shrink wrapping fools. It's only a matter of weeks and all will become quiet. We will get used to the non-activity; however, it is always an adjustment. Boating season maybe about over, but we are going to be rocking BVYC all winter long. BVYC will be in the Holiday Parade on November 11th. We have the Feather Party on November 18th and the Basket Party on December 9th. We also will be having dinners available on November 10th and 24th followed up with our very own D.J. Ken Campbell starting at 8 pm. Come on out, grab a bite and enjoy the entertainment!

Membership update: We have voted in 5 new members. They are as follows: Chris Trimmer: Chris is Terry and Debbie Trimmer's nephew. They are also his sponsors. He is also a member at ORYC. Ricky Parker: Ricky lives in Toledo. He has a 280 Sea Ray. His sponsors are Chuck Shanteau and Woody Wlodarczyk. Dan Petro: Dan has a 27' Rinker. He works at Electro Prime and is also a member at TSC. His sponsors are Stacy Slicker and Walt VanDromme. Jason Ruffier: Jason has been boating for over 30 years. His sponsors are Doug LaLonde and Gary Ruffier. Art Richter: His current boat he bought from Marshall Adams. His sponsors are Doug LaLonde and Gary Ruffier. The Membership Committee has also met with and approved Matt Beissel for membership. Matt grew up boating and waterskiing. He works at Ford. He plans on purchasing a boat soon. His sponsors are Francis Reno and Kevin Walentowski.

Last but not least, I want to thank all of you for allowing me to be BVYC's 2018 Commodore! I will do my best to positively represent the club. It comes with great responsibility, but lucky for us our past PC's have experienced this journey and are there to guide yet another rookie. I am grateful for all of you! I am especially grateful for Lori. She has been with me every step of the way and I could not do this without her. Thank You!!!

Vice Commodore Steve Suffety / ssuffety@gmail.com / 419-206-9522

Report from the Rear Commodore

**Rear Commodore
David Krell**

I am going to start this newsletter off a little different than usual. It is not about how summer is here and gone, but rather a **HUGE THANK YOU** to all the people who work together to get this newsletter out to you all to read. As this is the second time this year I have gotten an email reminder from Jeff Palmer, who puts the layout together each month for our newsletter. "Last call for articles" is never an email you want to see with your name attached! I just might have forgotten to write this article with all the fun Lady Courtney and I have been having...oops! However, this just shows me that Bay View Yacht Club can't function without all the members working together. Some of you may think the bridge does a lot of the work, but I promise you there are a lot more people doing work to support us. This is a thank you to all you hardworking members!

Now for the events for the last month...it always amazes me how many things we accomplish in just one month! On September 23rd Toledo Sailing Club had their color cruise, stopping at Bay View as always. They had a huge group in attendance this year! There might have been a small miscommunication as the fleet captains were expecting 50 people and instead it was more like 150 people. Bay View pulled together and we were able to put out a great spread of food. We may have had a last minute trip to Kroger for subs and chips, but the day was a success.

Great Lakes Steel Boat Club had a wonderful Ladies Shopping Night on September 30th. Lady Courtney and I were surprised to run into Lady Sharon and P/C Scott Kneisel. It was a wonderful event and Courtney and Sharon had no problem supporting GLSBC by purchasing from LuLaRoe, Thirty-One, and Scency! A special thank you to Lady Patty and AYC Rear Commodore Tom Kovach for the invite and hospitality.

Bay View had our color cruise on October 14th and we could not have asked for a better day! For Lady Courtney and I it may have been a little hectic, as a last minute vessel change to take the Trojan instead of the Excalibur happened. I missed out on some of the great food that was brought to our club as I was prepping our boat. There were so many people in the club and it looked great. I walked in and said "What do we need to do to have this every weekend?!?!" The amount of food our members and members of other clubs brought to share was awesome. As I was talking to Tom Blanc he was amazed by what the other clubs were bringing in from full crockpots to breakfast casseroles. I think that it shows the support the other clubs gives us when they attend our events. Thank you to Indian Hills, Toledo Sailing Club, and Maumee River Yacht Club for a great day, and then to Harbor View Yacht Club for hosting a steak roast for dinner. Lady Courtney and I enjoyed the long day with Timothy, Chuck, Moe, and Maizy!

October 21st was the Reverse Raffle at BVYC and as always a good time. Unfortunately, I was not a big winner, unless you count the AMAZING dinner that was served. The dinner was half a chicken with potatoes and salad. Lady Courtney and I took home half a chicken as our leftovers! Great job to everyone that helped out on the event making it so successful! We hope to continue the "half a chicken" dinner for next year, so come hungry!

Report from the Rear Commodore -- Continued

Up coming events include:

The Michigan/Ohio State game on November 25th. We'll be having a Chili Cook-Off so get your crockpots going! The game starts at noon, but chili can be set up starting at 11:00. If you don't want to participate in the Chili Cook-off please bring a dish to pass and be ready for a good time!

In January we'll resume our Wine Tasting & Shopping events so stay posted!

Again, thank you so much for all your support from attending our dinners and other club events, to volunteering your time and talents to help Lady Courtney and I have an amazing Rear Commodore Year! We look forward to all of Vice Commodore Steve and Lady Lori's events in the coming months.

Rear Commodore,
David Krell
