June Report from the '23 Commodore

The boating season is upon us. We just cleared The Opening of the Port. Up next, is the Opening of the Island at FYC.

If you know anything about the sum of a \$1.98, BVYC will be represented Friday night, the 16th at TSC. Head on up river, the show starts around 9 pm.

Club cruises are scheduled for the whole summer. Sign-up sheets are on the membership bulletin board. A couple of them require you to call for a dock reservation. Fleet wear has arrived be sure to pick up what you ordered. The FC's have organized a Dock Crawl for the evening of the 10th. Look for the fliers. Each dock has an assignment to support (bring to the party).

Due to the sound of silence, I have a repeat request from last month. I need to make a call for more assistance this summer. It is mowing season again. Especially during these first few months, the lawn will require mowing twice a week to keep the grass under control. With 10 volunteers, we'd achieve a once per month rotation from June to October. The lawn is a significant item that helps keep our club looking good. Please let me know if I can add you to the lawn care list this year or contact Brian Orth directly.

Contact Dan Herzig if you're talented with gardening. Wendy, Gretchann, Amy and I know a couple others have already been digging in the dirt. The spring flowers are already adding some much needed color.

The docks should now be at fully completed. Scott Aldrich and the many club members that provided special talents, to put this whole thing together, deserve more than just thanks. We're working on that, but for now: Thank you goes out to the dozens of members who made this happen!

Our club has been asked to support, making and serving, dinner Tuesday July 25th at PIBYC, for the I-LYA regatta. If you're going to the Power Regatta this year, please let the bridge know if you're able to help and represent BVYC.

I'm sorry to report the passing Ben Davis Jr. He and his family joined the club in 1976. A celebration of life will be held, June 11th at 2pm in the club. Please come out and share some time and memories with the Davis family.

Please note that the date for this year's Commodore Ball is now Friday night, September 29th at Maumee Bay State Park. Things officially start at 6:30 and we'll have an after-glow. Call The Maumee Bay State Park hotel for reservations – Code 1096EL. We have a block of rooms reserved under BVYC. The weather will dictate exactly where we'll extend the evening.

Report from the Vice Commodore

Happy June, Bay View. The weather is warmer, summer starts and we, for the most part, have our boats in the water. By the time you read this, we have attended Opening of the Port at Maumee River Yacht Club and had an amazing steak dinner at Toledo Sailing Club.

June is the last month to complete First Half work hours, if you are still in need of hours there are many ways to earn those hours. The Grounds committee is always looking for someone to help mow, there is plenty to clean up around the club as well. Ask any member of the bridge, board, or committee chairperson to inquire about assisting.

The goal of the membership committee is to make sure each and every new member feels welcome at Bay View Yacht Club. We will do our best to introduce them to a number of committees in hopes they will find a way to contribute that works for them and the club. If you have any new potential members, please have them fill out an application.

Let me or the membership committee know if you have any questions.
