## Report from the Commodore

**Commodore  
Mark Gensler**

As summer is coming to an end, let's hope for a long and pleasant fall. As usual it went by way to quick, it has been a fun filled and action packed summer with plenty of activities around the club and elsewhere. Tina and I had the opportunity to represent Bay View at a hand full of events over the last month. The end of August we were able to take our boat over to Cooley Canal Yacht Club and attend their Ball Horning Commodore Phil LaCourse and Lady Cathy. It was a very nice evening. We made it to the cocktail reception for Commodore Jim McDevitt and Lady Linda at Detroit Beach Boat Club, this wraps up the Regatta season. The end of September we went to Wyandotte for a 3 hour tour on the Diamond Jack up the Detroit River, a fund raiser for Sunseekers Boating Club Commodores Ball. That same weekend we made it over to Maumee Bay for a few hours to meet up with the Club Cruise, look like we had quite a few boats there, plenty of food, fun and friends.

Coming up Saturday October 4<sup>th</sup> is the Bay View Yacht Clubs Fall Color Cruise; this is one of my favorite events of the year. It starts early 10 am or so at Bay View and we spend the day on the water stopping by the other clubs on the Maumee River. So if you can try to make it out, you're guaranteed to have a good time.

Make sure you make it to the regular meeting on Wednesday October 8<sup>th</sup> at 8:00 pm and cast your vote, for next year's Officers and Trustees.

As the boating season comes to an end, after you pull and winterize your boat don't forget to pull your dock poles by November 15<sup>th</sup> to avoid being fined. See rule #25 under Dock and Harbor rules in your handbook for more details.

## Report from the Vice Commodore

Vice Commodore  
Colleen Cashman

Hard to believe it is **FALL** already?!?!?

Hope everyone had a great summer. Hate to see the boats come out but before they do we still have time to get in a few last boat rides.

Remember we have lots of parties planned for the upcoming months. I would like to see everyone come out and have some fun and meet all the new members.

**October 4th** is BVYC color cruise-please bring a dish to pass and if you attended in the past you what fun it is and if you haven't attended you will have to see the fun we have--not sure what a color cruise is ask one of us and we will tell you what fun you will have.

**October 25th** is a big fund raiser for the commodore's ball-please see the flyers and come out you won't believe the fun you can have this night.

**November 15th** will be Festival of Meats and once again a commodore's fund raiser and lots of fun to help prepare for your turkey dinner.

**December 6th** will be decorate the club night with all new members invited please come out and help, have some cheer with us and to show what a great club they joined.

February we are going to have a bus trip to the casino/boat show --details will follow next month.

Until next month be safe, be happy, enjoy the rest of the boating season and remember to come out and have fun at your club.

Please watch for flyers at club or the e-blast -- there will be more activities in between what is planned already.

V/C Colleen Cashman

## Report from the Rear Commodore

Rear Commodore  
Douglas LaLonde

Hello again, I Hope you have all had an enjoyable summer as the boating season comes to a close in the next month. Erin and I have enjoyed hosting the cookouts and bands at Bay View. Erin and I were recently able to attend Ford Yacht clubs rod and custom show it was a well-attended event. There was a wide variety of classic cars that filled the grounds around the club house. I implore our members to take a drive up there next September to participate or even enter the competition. Several awards had been given out for various categories.

Congrats to Smokin Steve for excellent RIBS at The RIB OFF and great job with winning 3 different awards.

To move on to current business Erin and I are hosting a Halloween party Nov 1<sup>st</sup> the day after Halloween, please look for posted flyers regarding the party. Please bring a dish to share. I hope you and your guest had a good time at the Red Neck Yacht Club Regatta. There are several posted flyers throughout the club for Ball Fund raising Events. Don't forget to mark the Dates.

There seems to be a shortage on the bridge staff we are in need of a Rear Commodore for 2015; this is a fun position and you get to meet a lot of new faces and you get to plan the parties for the club for the year. You must have 2 yrs. of seniority at nomination. If you are interested or have questions please call me 419 283 2820. This would be a very bad **STAIN** on Bay View Yacht Club if this officer position went unfilled, as Uncle Sam said **BAY VIEW NEEDS YOU**. If you are unsure always ask for guidance or help. This officer position is what you make of It. Don't be afraid to ask for help or listen to suggestions.

You're Rear

Doug Lalonde

## Report from the Auxiliary

Our September meeting was great! Our guest speaker was Sue Lovette. She talked about the Astrological Signs and how the time of birth and placement of the planets affect our lives. Very interesting.

Jill Calcamuggio was the winner of the raffle for a “sitting” with Ms. Lovette.

The Auxiliary has chosen “Heroes-in-Action” as our charity this year. There is a pamphlet posted on the bulletin board for more information. Donations can be put into the Auxiliary Box or mail to Jill Calcamuggio, 3045 117<sup>th</sup> St. Toledo, Oh. 43611. Our deadline is December 15, 2014, so we can add the matching funds by Christmas.

I encourage everyone to come to our next meeting which will be November 12, 2014. This will be the Election of Officers for 2015. The Bay View Yacht Club Auxiliary has been functioning since 1945 and has been a valuable asset to the Club. I sincerely hope you will consider becoming a part of the Auxiliary.

I look forward to seeing you at the November meeting.

Auxiliary President

Sue Kroma

## CHARITY

The Auxiliary has chosen “**Heroes-in-Action**” as our charity this year’s Holiday giving. “Heroes-in-Action” is a non-profit, volunteer organization started right here in Toledo about 10 years ago, with care packages only sent to five active duty individuals serving overseas. Now in addition to hundreds of care packages mailed every month, the group has expanded their support to not only those serving overseas but also to the families they leave behind; the veterans returning home and reservists serving at home and their families. This assistance covers everything from emergency financial aid, transporting for appointments etc.; donated furniture and clothing as needed; help finding housing and many other areas of support.

The group always works with and through other area organizations already providing for the military people, as sometimes it is just a case of connecting people to the right persons needed in any given situation. This cooperation saves time and money in duplicating services.

Please read the pamphlet posted on the bulletin board for more information and help us support our military service people and their families who are making daily sacrifices for all of us. Donations may be put in the Auxiliary Box at the club or mail to: Jill Calcamuggio, 3045 117<sup>th</sup> St. Toledo, OH 43611. Please include your name and address so we can acknowledge your donation, which is tax deductible.

Thank you in advance for your consideration of this charity.

Jill Calcamuggio

# Bay View Halloween Bash

The background of the poster is a dark, atmospheric scene. At the top, the title 'Bay View Halloween Bash' is written in a glowing, orange, cursive font. Below the title, the background features silhouettes of bare, gnarled trees. In the center, a large, bright full moon is partially obscured by the branches. Several black silhouettes of bats are shown in flight against the moon. In the foreground, a graveyard is depicted with various tombstones, including crosses and a hand reaching up from a grave. Two glowing jack-o'-lanterns with orange faces are positioned on either side of the graveyard. The overall color palette is dark with orange highlights from the moon and pumpkins.
