## Report from the Commodore

Homecoming should be just about a week away and I know the club is looking amazing with all the hard work people have been putting into the club, both inside and out. It is hard work and passion for this club which drives us to keep working to improve on what we already have. Take our deck, a project that started out with replacing a few boards for safety concerns and it turned into replacing the whole thing. This was all done with hard work and passion for our club. Colleen and Mike took the lead on this by getting approval from the housing committee chairman to replace the damaged boards. From there it built steam and people were donating money to purchase more boards as they went. There was even a direct fundraising dinner to help raise funds for the needed materials to finish the job.

I know this last month has been passion filled in the meetings and throughout the clubhouse. We all want what is best for the club and are all willing to work our best to make it happen. Bay View has various committees and each have their own function of checks and balances. I have heard members say that it takes too long for Bay View to do anything. I know for myself I would like things to happen at the club faster too but as a member I understand that Bay View Yacht Club has rules and regulations that we need to adhere to. We have policies, procedures, and protocols that are all checks and balance for the club. By not operating with these polices we run the risk of creating more problems down the line.

## **Report from the Commodore Cont'd**

A few great examples are:

-If you plan to have an event make sure the space you want to use is not reserved. The Rear Commodore is in charge calendar and renting rooms. Please talk to him for approval of the space.

-If you have been approved to have a dinner and charge for the event, you need to provide an income form to be turned into the treasurer. We have to have a record of all funds coming into the club.

I could go on with more examples but in order to keep this short article short I have one statement that I think will cover it all: We have committees for a reason, if you want to do something that you don't see being done talk to the committee chairman and get their approval. They know what is happening for their committee and they are the best people to communicate with. Maybe there are things already being done that you don't know about. I know at times we only see the problems or small parts of a much larger picture. If you don't know what committee something falls under please come talk to me and I will direct you to the proper person.

Please take a moment and step back and talk to the people who are in charge of your areas of concern. As commodore it is my job to do what is best for the club and it's members. By not following the rules and regulations you put me in a bad spot to where I need to be the bad guy for a good thing that is trying to be done.

Please help me to continue to have a "Great" club. Thank you for support of Lady Courtney and I. Hope to see you all at our Homecoming Poker Run August 16th & 17th!

Commodore,

David Krell

# Report from the Vice Commodore

**Vice Commodore  
Charles Martin**

It's hard to believe how quick this summer is going. It is also good to see so many members taking part in the club events.

The Fleet Captains are doing a good job with everything they have planned.

Lady Moe and I have attended several AYC events and will continue to be at most.

Reminder that the signup sheets are on the board by the shuffleboard table to sign up to help at our Homecoming. This is a great way to meet other members and have fun. This is a great event.

There has been a couple changes in membership as follows-

Correction, Doug Avery asked to become Social and I posted it. I made a mistake on his seniority date and he will not be eligible until 4/26/2020.

Active to Social Joshua Kneisel effective date July 11, 2019

## Report from the Rear Commodore

Rear Commodore  
Kenneth Campbell

Hello all, Well the weather has changed to extreme heat, but the water is still quite high. It has not stopped the events from going full steam ahead. We just had a spaghetti dinner and Name That Tune hosted by yours truly along with Lady CarrieAnne and our youngest, Kameron. We are getting ready for the Flip Flop cruise. String Theory is coming back to BVYC. It is sure to be a great time. August brings us to Homecoming!!! We are working on a dinner for August 30th so stay tuned!

Onto other club business. Lately I noticed the kitchen being dirty. Please please please if you use the kitchen make sure it is cleaned up. When we were cooking the Spaghetti dinner we found grease all over the stove and a very dirty cooking area. We spent time cleaning it up and would appreciate people using the kitchen to strive to keep it clean. I encourage and support the use of the kitchen but pride needs to be taken in keeping this expensive equipment clean. When you ask to rent the club remember you are responsible for cleaning up after yourself. A new procedure is now in place also for renting. When you rent your deposit check will be held and returned to you if you left the club clean when you are done. You will not have to wait for a refund.

Lastly.... The past couple of meetings have brought out much in fighting about the club. This goes directly back to what I said in a previous article. I believe everyone has the best interest of the club in mind. Although we may not all agree on how we get to that point the bottom line is that we are all fighting to make Bay View the best club it can be. Again, I stress that EVERYTHING changes over time. Instead of fighting over people wanting to do something to help the Club get better maybe that energy would be better spent in finding a way to make that happen and supporting those who are taking initiative to do something. I would hate to see the Club lose anymore people who are so passionate about the Club over a difference of how to carry out what we all want. Just my thoughts.

Please be safe out on the water!

Ken Campbell

## Report from the Fleet Captain

Our First DAY TRIP/CRUISE was a great time! We had 6 Captains that took 20 passengers to Maumee Bay State Park. It was a beautiful day and we were able to take a bonus ride out to the Harbor Light on the way back. The feedback was very positive! We had 4 boats take advantage of the July 4 holiday weekend on our trip to Vermillion. Activities included Yoga on the beach, visiting the one of a kind shops and restaurants downtown and checking out the lagoons on canoes/kayaks/and inflatables. The ride over was amazingly flat with the ride home amazingly rough!! It's always better traveling in groups though, so we all looked out for each other to get back safely.

We tried a different event Friday, July 19 as we went downtown and anchored out to listen to one of the Promedica concerts "Killer Queen". The extreme heat kept some members away, but it turned into a great evening with a nice breeze.

July 20 was our second scheduled DAY CRUISE. Again, the heat kept some members away, but we had 3 boats with 10 people and had a great day in the pool keeping cool. BVYC members also impressed the rest at the pool with our dives, flips and jumps off the diving board!

Consult the sign- up sheets for the following upcoming trips:

Location Change\*\*\*

August 2-6- Marina Del Isle at Skipper Buds/Lakeside. Due to Brand's docks being under water, we have a new location. It's a great marina with floating docks, restaurant and pool. It's a great place to stop before ILYA.

August 7-10- ILYA- Put-N-Bay

August 23-25-Middle Bass

September 6-7- Maumee Bay State Park

October 5 – Color Cruise

Article XI

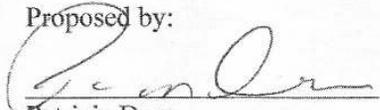

**Section 3. Nominating Committee:** The Commodore shall appoint a Nominating Committee of five (5) Active members in good standing at least four (4) weeks prior to the annual election. The duties of this committee shall be to interview, select and recommend one (1) or more candidates for each of the various offices, as well as a slate of candidates for membership on the Board of Trustees. This committee shall present its recommendations one meeting before the election. At the conclusion of the report, nominations for all positions except Financial Secretary and Treasurer may be received from the floor. The nominations then will be closed. Any member nominated shall have been a member in good standing for at least two (2) years. The membership must be notified by mail of all nominations at least one week prior to the election.

**Proposed addition:** to follow above paragraph

Any nominee for the positions of Treasurer and Financial Secretary shall possess accounting experience through professional or volunteer work experience and/or a degree in accounting or finance. Any nominee shall also successfully pass an FBI background check. A successful background is defined as no felony convictions.

Prospective nominees shall submit their qualifying credentials to the Board Chairman prior to the August Board meeting. The Board shall review the credentials, and if approved, the prospective nominee must undergo an FBI background check. Upon receipt of the background check results, the Board Chairman shall notify the prospective nominee of the results. The Board Chairman shall inform the Nominating committee chairman of the prospective nominee(s) who have successfully passed the background check.

## **From the Board of Trustees :**

As you may be aware, tragedy struck at Bay View Yacht Club early on the morning of July 3rd, as two boats caught fire and burned to the waterline. The boats were located in docks 71, owned by Bob Bedard, and 72, owned by John McAdams. After the fire was extinguished in Bob's boat it was removed from the water using our lift and set in the storage yard. John's boat sank at the dock and was later recovered on July 9th by a professional salvage company. Fortunately, no personal injuries were sustained during this incident. On behalf of our members, I extend our sympathies to Bob and John in the total loss of their boats.

Thank you to all of the members who responded and helped through this ordeal. A special Thank You goes to P/C Tony Blank who remained on site throughout the day of the incident. Tony was the point man for communication between the Board of Trustees and the United States Coast Guard, Ohio EPA, City of Toledo Environmental department, Ohio Department of Natural Resources, Toledo Fire Department and the club's insurance adjuster. Also, a special Thank You goes to Pam Smith of S&S Janitorial for responding quickly to call 911 and make numerous phone calls in an attempt to notify club members.

On a positive note, we learned from this incident. An Emergency Contact list, including the names and phone numbers of the Board members, has been posted behind the bar and on the bulletin board. The Dock Assignment committee will ensure that a *Permanent Dock Application Form* is completed, signed and on file for every member who has a dock. Also, the committee will post a list of all the docks with the name of the member whose boat is assigned. And, the Board is reviewing the club's insurance coverage.

If your boat was damaged as a result of the fire, please file a claim with your insurance company and then report the claim number to P/C Tony Blank. The Board is currently working through the affected insurance companies to have the burned boat removed from the yard.

On a different note, when a member wants to host a meal at the club, authorization shall be obtained from the Rear Commodore. All funds received shall be submitted to the Rear Commodore or Treasurer for bank deposit and expenses shall be paid via club check or club debit card.

The Board meets on the third Wednesday of the month. The agenda is prepared in advance of the meeting; the purpose is to allow time for the Board members to review documents and prepare for the meeting. If you have business with the Board please notify the Board Chairman no later than the evening of the Sunday immediately preceding the Board meeting.

Office Hours: I am available by phone most weekday mornings from 8:00 – 10:00 AM.

Respectfully, P/C Scott Kneisel, Board Chairman; 734-516-0257,  
scott.kneisel@bex.net

## Special Announcements

**Boating Technology** - You gotta love technology. Today we can text a buoy and receive water and weather data. I recommend you create a new contact called Weather Buoy 45165. The phone number is 866-218-9973. Then create a text message to Weather Buoy. In the text field, put in 45165 and hit send. That's why you put 45165 in the contact name so you remember what to put in the text field. In seconds you will receive weather and wave data from the buoy that sits out in front of Meineke's marina. I believe there are others as well but that's the only one I'm familiar with. Also, one of the best Apps I've found is called Sail Flow. It's meant for sail boaters but works great for any type of boating. It basically will tell you the forecasted winds for your area. Download the app from your phone store then launch it. You will see small arrows on a map. Touch on one of the arrows then click on forecast. Then you will see projected wind speeds and directions for the next week as well as the weather outlook. If you know of other Apps and boating technology you would like to share then forward to Jeff Palmer - nemo@bex.net for consideration in the next newsletter.

**There is a new addition to the [bvyc.org](http://bvyc.org) website...** A "Members Only" page is now up and running. On this page you will find the most updated membership roster, Constitution and By-laws, and any other items of communication.

To access this, you first need to go to [bvyc.org](http://bvyc.org), than click on the "Members" link in the blue bar.

After that you will need to create a log in. Once this is done we will get a notification and will confirm who is requesting access and grant it for members of BVYC.

If you have any questions please contact: Tony Blank - [ronski08@gmail.com](mailto:ronski08@gmail.com) - 419-574-2674.

**Work Hours are abundant.** Please contact Tony Blank and Brian Rogers to fulfill your work hour obligation. Looking for Painting, Club beautification, Homecoming Help, and other general maintenance. Please keep in mind to include your member number on your work hour slip as sometimes we cannot read your name. Also, work slips must be signed by the head committee member. You cannot just write the supervisor name on the work slip.
